

Welcome Amy Graf, Worship Leader for Kids

We're so excited to welcome Mrs. Amy Graf as our new volunteer Worship Leader for Kids. She brings some great experience in music and worship leading in kids ministry and has a lot of joy and enthusiasm! She'll be leading the kids both Sunday mornings and Wednesday nights. Here (above), she and the Kids Worship Team are leading the kids through one of the songs they'll be sing on Palm Sunday, March 25th.

Twins Night!

Having fun is an important part of Covenant Kids. One creative way we do that is by having a theme night once a month. This last month the theme night was "Twinning" and the photo (above left) shows all the great "twins" that showed up that night.

STUDENT LIFE

HS in the Garage!

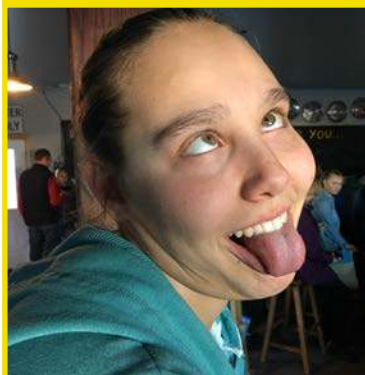

We've moved the high schoolers back to the Garage, which was originally built and designed for them. It's a great place for them but they will out grow it again. This time, instead moving them to the Sanctuary, we'll need to build and expand the Garage to accommodate them better.

MS in the Youth Room!

We've moved the middle schoolers back to the Middle School Youth Room which was originally built and designed for them. It's a great place for them but it needs to be youthified again. We'll be working on redesigning it over the summer. You could help! Contact Jim or Sarah to join the team. The middle schoolers will out grow it again. This time, instead moving them to the Sanctuary, we'll need to build and expand the Middle School Youth Room to accommodate them better.

Baptism at FUEL!

7th grader Zeke Graf was baptized Wednesday, March 7th during youth group. Congratulations Zeke!! We're excited for you!

Time to Think **CAMP!**

Registration is open to all ages for summer camp. You can pick up a brochure and forms at the church or online at bemidjicovenant.com/camp.
