

BELONG

Create an environment where families want to **BELONG**. We do this by providing a fun, safe and welcoming environment where everyone is treated as if they were the only one.

PARTNER

**PARTNER** with families to disciple the next generation. We do this by valuing what happens at home more than what happens at church.

ENGAGE

Create a fun and **ENGAGING** worship experience where the next generation can celebrate God on their level.

CONNECT

**CONNECT** with the next generation through relational small groups. We do this by providing consistent small group environments.

SERVE

Create **SERVING** opportunities for the entire family where they can love their neighbors locally, nationally and internationally.

LEAD

Create a volunteer culture where leaders are given the opportunity to **LEAD** at every level. We do this by being intentional about raising and releasing leaders to lead.
